

Dear Team,

I am pleased to write this recommendation for **Gurkeerat**, who recently completed his internship with us. During his tenure, he consistently demonstrated professionalism, dedication, and strong technical skills.

One of the highlights of his internship was his **demonstration on Power BI**, where he showcased excellent analytical ability and clarity in presenting insights. He successfully completed his assigned project **on time** and delivered a **well-prepared demo** that reflected both the quality of his work and his attention to detail.

Gurkeerat has shown himself to be a quick learner, reliable team member, and someone who takes ownership of his responsibilities. I am confident that the skills and experience he has gained during this internship will make him a valuable contributor in his future endeavors.

I strongly recommend Gurkeerat for any opportunity he pursues, and I am certain he will continue to excel.

**Best,**  
**Vikas Goyal**  
**Technical Project Manager**
