To Whom It May Concern,

I am writing to highly recommend Gurkeerat Kakar for a position at the Student Union. As the President of the Recreation Advisory Council at the University of Alberta, I had the privilege of working closely with Gurkeerat in his volunteer role as the International Student Representative.

Gurkeerat exemplified exceptional dedication, passion, and creativity in his responsibilities as the International Student Representative. He demonstrated a profound commitment to advocating for the needs and interests of international students within the university's recreational and sports activities. His efforts were instrumental in fostering a more inclusive and accessible environment for all students on campus.

One of Gurkeerat's notable strengths was his ability to generate innovative ideas and initiatives to enhance the recreational experiences of international students. His proactive approach and collaborative spirit significantly contributed to the success of various events aimed at promoting diversity and unity within the campus community.

In conclusion, Gurkeerat is a remarkable individual who has made invaluable contributions to the University of Alberta community. I am confident that he will continue to excel in any endeavor he chooses to pursue and recommend him for the position.

Please feel free to contact me if you require any further information.

Sincerely,

Levi Legaree

President, Recreation Advisory Council  
University of Alberta
